Adobe: Delivering creative lessons around personal development with Adobe Creative Cloud Express
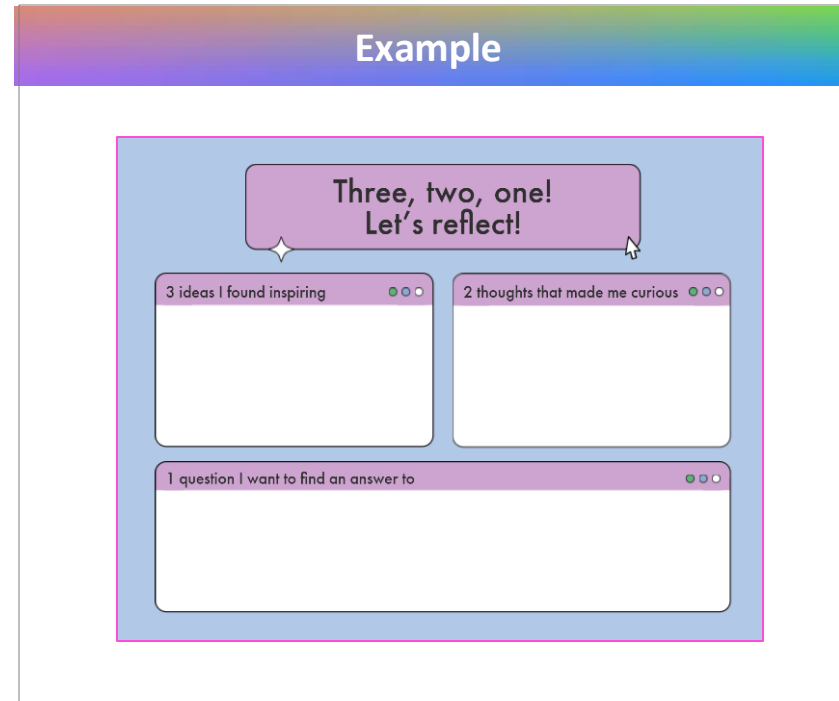

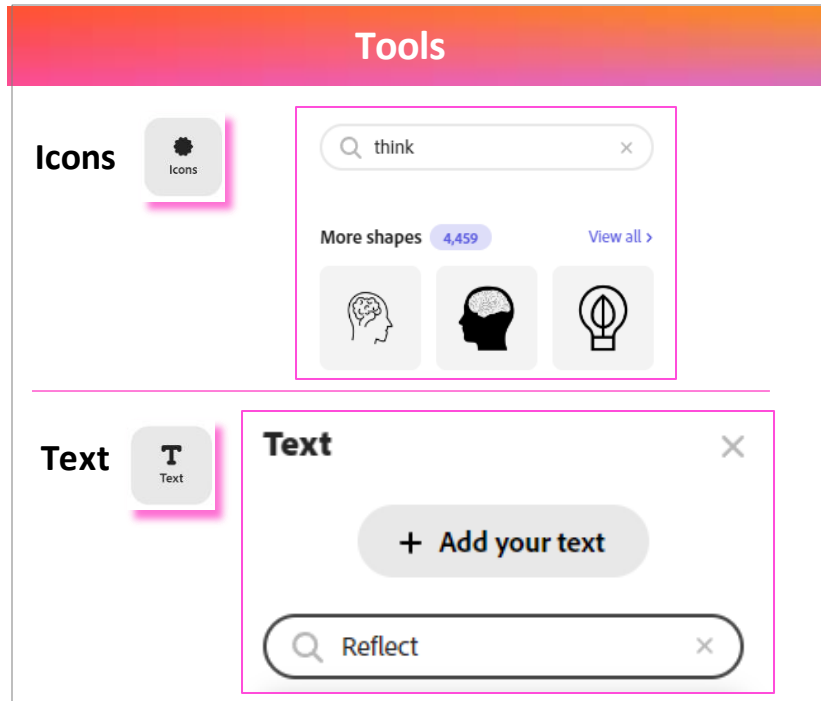

Activities

The following activities are ideas for creative lessons using Adobe Express. Each activity can be created as either a Graphic, Video or Website. The following are some example projects to get you started…

01. Create a reflection graphic about your own beliefs (religious or otherwise) and perspective on life.

02. Create a graphic (Infographic) recognising the difference between right and wrong

03. Create a graphic (poster) promoting British values

04. Create a Video discussing the cultural influences that have shaped your heritage.

05. Create a Website demonstrating your knowledge of Britain's democratic parliamentary system.

5. **Design A Website**

Showcase your knowledge of Britain's democratic parliamentary system and its central role in shaping our history and values, and in continuing to develop Britain.

Things to think about:

- What is Parliament?
- Why is it important?
- Who works in Parliament?
- How is your school impacted by the decision made by Parliament?
